

# One Direction Steal My Girl Remix Contest

Rarely do we see a band like One Direction offer up a remix competition, but that is exactly what we have here. There is no doubt that this will have a ton of entries, and I'm interested to see what the LP readers can come up with. Now you can remix the vocals of Harry, Liam, Zayn, Niall and Harry with "Steal My Girl". Unfortunately, this contest is for residents of the UK only. Here is some information about the contest:

# Len – Steal My Sunshine Remix Contest

This is the overview of the Len, "Steal My Sunshine" remix contest. Yes, you read that title correctly. The Swedish brother and sister duo "Len" are back and are asking the producer community to remix their most memorable hit, "Steal My Sunshine". There are so many directions that you can go with this one, how will you do it? You can definitely stay pop and airy or you can take it in a more ironic direction with some neuro-hop or glitch-hop. After all, the BPM of the song is 96 and plenty of glitch hop tracks come in at 95 bpm.

Prizes: \$500

Specs:

BPM: 96

Key: Emaj B Mixolydian

Start Date: August 14<sup>th</sup>, 2013
